2. THREE PRICING ENGINE CALCULATION MODES

Mode A: Point-to-Point (Distance Based)

Distance <= 30 KM -> Base Rate

Distance > 30 KM -> Base Rate + [(Total KM - 30) x \$2.75 / KM]

Ideal for city transfers, long-distance intercity rides, and custom point-to-point routes.

Mode B: Hourly Charter (2-Hour Minimum)

Base Fare = Duration (Hours) x Hourly Vehicle Rate

*Minimum Charter Requirement = 2 Hours

Dedicated chauffeur on standby for corporate meetings, roadshows, galas, and multi-stop charters.

Mode C: Official GTAA Pearson Airport Flat Tariffs

Official Outbound & Inbound Flat Tariffs for 70+ GTA Destinations (YYZ / YTZ / YHM)

Pre-arranged flat tariff rates with complimentary 60-minute airport waiting time & real-time flight tracking.
